## Welcome to SOS Sponsored Walk

[Printable sponsorship form below](#)

Over the past 10 years Whitehouse Kennels and Cattery has been looking after strays, injured and abandoned dogs. Some of which are lucky enough to be reunited with their owners. The credit crunch hasn't only hit us humans but it appears to have affected the dogs too! More and more owners are abandoning their dogs and more dogs than ever are looking for new homes. SOS 2011 is a sponsored walk supported by

The S.O.S. 2011 Walk has been organised to promote the dogs looking for new homes and to raise money for food, shelter and any veterinary help they may need. We hope that you will join us on Saturday, 12 February, 2011 from 12:00 to 16:00 together with the strays looking for new homes, strays who have found homes and children with their pets.

We hope the walk will provide fun and entertainment for the entire family.

### Mission Statement

Whitehouse Kennels and Cattery was established in 1988 and is dedicated to promoting and supporting the health and care of animals. We have worked with the RSPCA and many breed rescue groups rehoming their cats and dogs for over 17 years and more recently the local councils and the rehoming of their stray dogs when the owner does not come back for them. In addition we try to promote awareness of the value of animals in individual's lives and the special bonds that exists between kids and animals. SOS is about raising awareness of the importance of maintaining the non destruction policy in North Somerset for the strays and raising money to help provide shelter food and veterinary care for the unwanted dogs looking for new homes. The money from the walk will be distributed amongst the local animal charities including Dogs Friends, Holly Hedge Sanctuary, Second Chance Rescue and the RSPCA.
